**Re: Cultural resources survey of the Avery Landing Rail Yard Project Area,
Shoshone County, Idaho**

Please find enclosed three paper copies and one copy in PDF on CD of a report that describes the results of a cultural resources survey performed by Applied Archaeological Research, Inc. (AAR) at the Avery Division rail yard located at Avery Landing, near Avery, Idaho.

The enclosed report is the final version of the project deliverable. You have previously reviewed draft and revised draft versions. An electronic copy of the report has been provided to Steve Hall of E&E.

If I can answer any questions or if AAR can be of further service please contact me by email at bill@aar-crm.com, or by telephone at 503-281-9451. Thank you.

Sincerely,

Bill R. Roulette, M.A., RPA
Principal Investigator
